

Hot Tub Rules & Instructions

- Hot-Tub is used AT YOUR OWN RISK.
- Please shower before entering the Hot-Tub
- **PLEASE ENSURE COVER IS ON AT ALL TIMES WHEN NOT IN USE**
Hot Tub Heating automatically turns off
if cover is left open for extended periods.
- Maximum recommended duration in Tub = 20 minutes
- PLEASE DO NOT STAND on Hot Tub Cover
- **CHILDREN MUST ALWAYS BE SUPERVISED – DROWNING RISK**
- No Glasses or Glass Bottles. Any food or drinks spillages will reduce the quality of the water.

Operation

Heating is automatically set to 38 C. If you require temperature adjustment please contact 086 228 0312.

COVER – PLEASE WATCH THIS VIDEO PRIOR TO OPERATING TUB COVER.
ANY DAMAGE TO THE COVER WILL BE BILLED TO GUESTS

To Raise – DO NOT FORCE

Gently lift bar to your right and allow cover to fold in the middle on itself. Cover should sit folded against right side wall and lock in position. Ensure it is set upright to avoid it inadvertently folding back into the tub.

To Lower – DO NOT FORCE

Pull out bottom of front panel as you bring bar downwards. Make sure both panels sit on top and flat against the hot-tub and bar is down as far as possible.

Sliding Window

Leave open at all times for ventilation. As a result, **ensure door into house is CLOSED at all times and LOCKED when Hot-Tub not in use.**

Bubbles

Left switch

Press to start. 20 mins cycle. Press again at any time to stop

Lights

Please ensure hot-tub area lights are switched off when not in use.
